INTELLIGENT AUTOMATION

Complete Control of Your Living Space

From automated climate and ambient lighting to smart biometrics and intrusion detection, Hitrace transforms residential and commercial properties into connected, secure ecosystems.

Smart Locks & Surveillance

24/7 HD camera streaming and encrypted access.

Energy Optimization

Automated power saving on AC and lighting.

Smart Automation

Schedule lighting, climate, and appliances to suit your lifestyle.

Remote Control

Manage devices from your phone—anytime, anywhere.

Energy Efficiency

Track energy usage and reduce utility costs.

Home Security

Live surveillance, smart locks, and real-time alerts to keep your home secure.

How It Works

Simple 4-step deployment from hardware installation to cloud synchronization.

01

Install Devices

Install smart sensors, cameras, and controllers.

02

Connect Platform

Connect via secure cloud-powered IoT platform.

03

Control & Monitor

Control and monitor from your phone or voice assistant.

04

Automate

Automate based on your preferences and routines.

Why Choose Hitrace IoT & Smart Home Solutions?

Simple setup and seamless integration

Scalable for homes and smart buildings

End-to-end support and customization

Secure, encrypted device communication

Affordable, future-ready technology

"Hitrace made our home smart—easy to control and totally secure."

— Amara K., Homeowner
